

SUMILLION GREEN PARTNERSHIP

Congratulations on reaching Silver Partner!

Your continued partnership with Sumillion means the world to us, and we are thrilled to welcome you as a Silver Partner. You've made a significant impact on our sustainability projects, and we are excited to offer you exclusive benefits as a token of our appreciation.

Your Silver level benefits:

Tree Planting Contribution for the Green School Project

As a Silver member, you're actively supporting one of our flagship initiatives, the Green School Program. This project has focused on creating sustainable learning environments in Ghana by planting trees around schools. Your contribution helps foster a greener future, improving the environment and enhancing educational spaces, directly benefiting local communities.

Silver Partner Trophy and Digital Badge

To honour your dedication to sustainability, we present you with a wooden trophy, certificate and digital badge, celebrating your invaluable contributions.

Exclusive Invitations to Charity Events

You will receive fully expensed invites to Sumillion's charity events, giving you the chance to network, give back, and be part of something bigger.

The Nuts Challenge Invitation

Strengthen team bonds and have some fun while raising funds for a good cause by participating in The Nuts Challenge alongside us.

Charity Consultation with Jayne Bristow

Receive a personalised consultation with Jayne, the CEO of To Live In HOPE, to further enhance your charity programmes or refine your existing efforts.

Employee Engagement Kits

Engage your team with our sustainability kits, designed to inspire and involve your employees in making a difference.

Join Our Sustainability Webinar

Stay ahead of the curve by joining our expert-led webinar on sustainability and charity giving best practices.

We're proud to have you on this journey with us and look forward to continuing to build a greener future together.
